FROM PASTOR AARON

Each year around this time we're all asked to intentionally think about and pray about the practice of generosity, specifically to our church. Woods Chapel Church is definitely on an important mission of connecting people to Jesus Christ and making a difference in the world. We have a vision of creating communities where people are included, accepted, and loved.

We're living out our mission and vision in some great ways and as the pandemic loses its grip, we are poised to live out our mission and vision in some new ways! But that will take all of us asking God, "What do you want to do through me to accomplish your will in our church?" The answer will certainly include using our time and skills, but it will also include considering how we provide financially.

Each year we ask everybody who calls WCC home to fill out a yearly commitment card. If you're a member of the church, you've already promised to do this, so now is your chance! Janet and I plan to take a step forward in our generosity, and I dare you to join us. Great things are happening at WCC and amazing things are on the horizon. And remember, whenever we give something away, we create a space that God can fill. The practice of generosity changes us and the world around us!

AN APPROACH TO GIVING

1. Begin with a prayer of gratitude.
2. Assess your income and current giving.
3. Set your giving goal.
4. Fill out a commitment card and bring to worship or fill out online.

Are we investing ourselves in things that matter?
 May we search our hearts and discover what we truly treasure and how we can align our desires with God's.

"Tell them to use their money to do good. They should be rich in good works and generous to those in need, always being ready to share with others. 19 By doing this they will be storing up their treasure as a good foundation for the future so that they may experience true life"

1 Timothy 6:18-19
